THE ROLLER BLINDS SYSTEM

An exclusive Roller Blinds System, designed and engineered to fit individual tilt and turn windows.

Mokush uses high quality architectural products in order to meet the harsh Australian conditions. As a result, the Blinds System can achieve the following around your home:

- A significant increase in energy efficiency
- Total block-out and privacy
- A high level of insulation
- Heat protection
- Total UV protection
- Glare reduction

The Blinds System is designed specifically to fit European Tilt and Turn windows, to fit on the inside of door and window frames.

THE FLY SCREEN SYSTEM

Retractable fly screens for single and double doors
